

PROSPERITY KNOWLEDGE

Foreword

In this e-book you'll discover the foundations of the manifestation process and the inbuilt power of your mind to produce whatever truth you prefer. You'll dive into the exploration of your awareness and find that it's among the most unbelievable and exciting domains one may inhabit. Welcome to the endless potentiality that's you! Everything in your life is a consequence of what you understand, what you experience and how you interact with your awareness. These factors make up the elemental source from which everything else develops.

Learning about yourself may be the most captivating enterprise one may imagine. Manifesting is a power of consciousness at the inner level, and isn't determined by any outer conditions. We all share the same inside source; no one gets more or less. The sole difference is that a few individuals are more cognizant of it than other people. But, with this and with a favorable attitude to learn, you are able to go as deeply as you want. This is your willingness to explore the unknown.

Chapter 1:

The Basics

Synopsis

The more you understand about the unknown the more you really comprehend how little you understand. It makes you modest and brings you back to the domain of wonders, miracles and magic. A domain in which everything is conceivable.

Please study this e-book with a wide-open mind. You don't have to trust everything that's written here – simply explore as a scientist would do. When you hit a passage that's hard to grasp, take a break and ponder it awhile. Let your mind process this fresh information. Read this e-book a couple of times, take your time and produce your own experiences.

Those who truly want to attain a financially free mindset, have only to set their minds on it, and acquire the proper means, as they do in relation to any other aim which they want to achieve, and it can be easily done.

But however simple it might be to make revenue, I have no doubt many will agree it's the hardest thing in the world to hold on to it. It consists merely in spending less than we bring in; that appears to be a really simple issue. A lot of my readers might say, "we comprehend this: this is mindset, and we know mindset is wealth; we know we can't eat our cake and have it as well."
